## **Cover letter for Internship position**

Dear Mr,Mrs

It is with the great interest that I am forwarding my resume for the internship position(six months). I am currently a fifth-year software engineering at ESPRIT (École Supérieure Privée d'Ingénierie et de Technologie).

Building state-of-the-art, easy to use, user-friendly websites and applications is truly a passion of mine and I am confident I would be an asset to your organization. In addition to my knowledge base, I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as staying up-to-date on industry trends and advancements are so important to me.

I've attached a copy of my resume detailing my experience and skills. I can be reached anytime via my cell phone, (+216)28 138 048 or by email at [medoussama.salhi@gmail.com](mailto:medoussama.salhi@gmail.com).

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Best regards,
